Victor Harbor

Dr Andrew Mintz is an Orthopaedic Surgeon and a founding doctor of Orthopaedics SA. With over 20 years experience, specialising in the surgical treatment of hip and knee disorders, particularly in the areas of knee arthroscopy and joint replacement of the hip and knee.

Dr Mintz practises privately with Orthopaedics SA at Memorial Hospital, in North Adelaide, and provides a country service in Victor Harbor, at 65 Ocean Street, Victor Harbor. He is a member of the Australian Orthopaedic Association Arthroplasty Society and worked in the Arthroplasty Unit of the Royal Adelaide Hospital for 20 years.

After graduating from the University of Adelaide in 1983, Dr Mintz obtained a Fellowship of the Royal Australasian College of Surgeons (Orthopaedic Surgery) in 1992. He undertook overseas training at the Freeman Hospital (Newcastle, UK), and completed post-fellowship training in joint replacement surgery at Brigham and Women's Hospital, Harvard Medical School (Boston, USA).

About Orthopaedics SA

The 22 specialists of Orthopaedics SA represent the largest private orthopaedic group in South Australia, providing expert medical care for patients of all ages. We treat bone and joint problems relating to arthritis, degenerative conditions, sports injuries, trauma, fractures and genetics.

Should a patient require surgery, we tailor our evidence based approach to each individual. Our surgeons are leaders in joint replacement and arthritis surgery, as well as innovators in minimally-invasive and arthroscopic surgery.
