Sports injury

Consulting from  
North Adelaide  
Henley Beach  
McLaren Vale  
Morphett Vale

Dr Peter Viiret is one of the founding doctors of Orthopaedics SA. With over 35 years' experience, he specialises in the treatment of adult and paediatric orthopaedic disorders, treating a range of conditions associated with knees, hips, hand, wrist, feet and shoulders. His breadth of experience enables him to identify a range of alternative treatments, selecting the most appropriate to deliver optimal patient outcomes.

For the convenience of patients, Dr Viiret consults and operates at locations across Adelaide. These include Memorial Hospital (North Adelaide), Western Hospital (Henley Beach), Southern Specialist Centre (Morphett Vale), McLaren Vale Hospital (McLaren Vale), Noarlunga Health Services (Noarlunga Centre) and Flinders Private Hospital (Bedford Park). For 35 years, Dr Viiret was a Senior Visiting Consultant in Orthopaedic Surgery at the Women's and Children's Hospital. He is also a Board Member of Western Hospital.

Dr Viiret graduated from the University of Adelaide in 1971, and then undertook a further eight years of surgical training, including periods in Switzerland, Germany, Canada and Jamaica. He obtained Fellowship of the Royal College of Surgeons in Canada in 1977 and the Royal Australasian College of Surgeons in 1978. He is a long-time member of both the Australian Orthopaedic Association and Australian Paediatric Orthopaedic Society.

## About Orthopaedics SA

The 22 specialists of Orthopaedics SA represent the largest private orthopaedic group in South Australia, providing expert medical care for patients of all ages. We treat bone and joint problems relating to arthritis, degenerative conditions, sports injuries, trauma, fractures and genetics.

Should a patient require surgery, we tailor our evidence based approach to each individual. Our surgeons are leaders in joint replacement and arthritis surgery, as well as innovators in minimally-invasive and arthroscopic surgery.
